**Re: Verification of Traditional Place Names in the K'asho Got'ine District for Draft 2**

Dear Madams and Sirs,

As you may know, the Sahtu Land Use Planning Board (SLUPB) released Draft 2 of the Sahtu Land Use Plan (SLUP) in May, 2009. The SLUPB is now getting ready to produce Draft 3 for spring 2010.

The SLUPB is requesting assistance from key organizations in the K'asho Got'ine District to review the traditional place names in the plan. Please pass the attached information on to the most appropriate person(s) and/or organization(s) so that the traditional place names can be reviewed.

I have included a list of the names used in the Plan and a map of the zoning. Please feel free to forward this letter to relevant resource people.

Please forward all corrections to me by Monday, January 11, 2010 so that we may include them in Draft 3. If no input is received the place names will remain what they were in Draft 2.

If you have questions, please don't hesitate to contact me at 598-2055 or at [idadamak@netkaster.ca](mailto:idadamak@netkaster.ca).

Thank you in advance for your participation. I appreciate your help in making Draft 3 more accurate and representative of your history on the land.

Sincerely,

Ida Mak  
Communications Coordinator/Planner
