Subject: May SLUPB public hearing
Date: April 14, 2011 9:01:42 AM

Dear Chairperson Wright-Bird:

I have been directed by the Norman Wells Land Corporation Board of Directors to request a postponement of the public hearing scheduled for May 3-5 in Norman Wells. As many of the Members in Norman Wells will be seeking to Spring Hunt during this time, it is suggested that dates in late May would be more appropriate for this hearing. Please advise.

Kind regards,

Jess
