RE: NWLC response to the Sahtu Land Use Planning Board Post-Follow up Hearing

Dear Sir / Madame:

On June 13th of 2011 the Norman Wells Land Corporation held a Special Board Meeting to address the question raised in the June 8th, 2011 letter from the SLUPB. At the meeting, the NWLC Board of Directors addressed parcels 105, 106 and 107. Upon reflection, the Board rescind its previous recommendations in the letter sent on March 28th, 2011 for parcels 105, 106 and 107; and decided to recommend the Sahtu Land Use Planning Board designate parcels 105,106 and 107 as Special Management Zones.

Should you require additional information, please call the Norman Wells Land Corporation at (867) 587-2455 or via email to: coo@nwlc.ca.

Yours sincerely,

A handwritten signature in blue ink that reads "C. McCauley".

President, NWLC
