Re: Overlap Zoning Discussions

Dear Sirs,

The Sahtu Land Use Planning Board met with each of the Sahtu communities in June to review Draft 2 of the Sahtu Land Use Plan and seek input for further revisions. There are a number of areas (listed below) where the Board received different input from communities about how they should be managed.

Area/Zone	Community 1 Preference	Community 2 Preference
Fort Good Hope-Colville Lake Group Trapping Area	Fort Good Hope - Special Management	Colville Lake – General Use
Horton Lake	Deline – Requested Discussion	Colville Lake – Conservation
Tunago Lake	Deline – Requested Discussion	Colville Lake – Conservation
Marten Lake	Deline	Tulita – Requested Discussion
Lac a Jacques, Sam McRae and Turton Lakes	Fort Good Hope – Conservation	Tulita – Requested Discussion
Zone 19 (Headwaters and Backbone Range Extension)	Fort Good Hope – Conservation vs. PAS	Tulita – Conservation vs. PAS

The Board wishes to hold joint community meetings with participating delegates during the SDC/SSI Assembly to seek interim consensus on how these areas should be zoned. The Board will follow-up with communities individually following the assembly to ensure the results are understood and supported by the full community.

The meeting is planned for **7 pm, Tuesday, August 25 at the Planning Board Office (Old Ramparts Hotel)**. Please discuss these areas with your members and confirm your participation with me by phone (403) 984-3916, email (heidi.wiebe@shaw.ca) or at the Assembly next week.

Sincerely,

Heidi Wiebe
Plan Development Lead
Sahtu Land Use Planning Board
