Re: Public Hearing Update

Dear Sirs and Madams,

As you know from our last update, the Public Hearing on Draft 3 of the Sahtu Land Use Plan, previously scheduled for November 23-25, 2010 in Norman Wells has been postponed in response to requests from the Sahtu Secretariat Incorporated, Tulita and Norman Wells organizations. The Board has scheduled a number of meetings and has begun work to address the underlying issues and move forward. This work will continue into early 2011.

The Board will not be in a position to reschedule the Public Hearing until after this work is complete. It is clear however, given ongoing uncertainties at this time, that the tentative Hearing dates of Feb 1-3, 2011 suggested in our previous letter will not be feasible.

We will provide further information in early 2011, when the Board is able to set the Hearing date. Please be assured that the Board will provide reasonable notice of the date to allow all parties sufficient time to review any new information and prepare their comments.

In the meantime, the Board will keep its website updated with the results of its meetings and activities. Please check the website regularly at: www.sahtulanduseplan.org.

We thank you all for your patience and participation in the planning process. If you have questions or concerns, please contact Heidi Wiebe, the Plan Development Lead, at heidi.wiebe@shaw.ca or (403) 984-3916.

Respectfully,

Judith Wright-Bird, Chairperson
Sahtu Land Use Planning Board
