**To: Registered Meeting Participants**

**CC: SLUPB Distribution List**

Good Afternoon,

This email includes meeting details for the first of three (1st of 3) technical workshops on the Sahtu Land Use Plan.

**Date and Time:** October 4 and 5th, 2011, 9 am – 5 pm

**Location:** World Catering & Banquet Services, 5004 50th Ave, Champagne Room, (Formerly "Our Place" Restaurant), Yellowknife

**Participation:** The Board has had considerable interest in these workshops. In order to maintain open participation in the planning process, we will not be limiting attendance. However, to keep discussions moving and maintain a balance of perspectives, we do ask that those organizations that are sending several delegates to pick one or two participants to take the lead in group discussions. Please note that these are intended to be policy discussions. The Board's counsel will be present to provide background information on the legal basis of the Board's planning mandate, but legal questions that arise and need further discussion will be tabled for side discussion among legal counsel.

**Agenda:** An agenda is attached with approximate time allocations to guide discussions. It will be amended as needed to suit the level of interest/discussion in each topic .

**Resource Materials:** "Proposed Revisions for Final Draft Sahtu Land Use Plan: Discussion Document – September 2011" emailed to the Distribution List on September 16th will serve as the basis for discussions (specifically pages 3-14 for Workshop #1). Please bring your copies of this document with you for reference and discussion.

In its cover letter on September 16th, the Board requested that any party wanting to identify authorizations that they felt should fall outside the scope of the Plan should submit a list and supporting information to the Board by **5 pm, this Friday September 30th** (please email to [heidi.wiebe@shaw.ca](mailto:heidi.wiebe@shaw.ca)). The Board is still expecting that information and will forward any submissions it receives to registered workshop participants upon receipt, as well as posting it to our website. **For any submissions received after that time, please bring 35 printed copies with you** to distribute to workshop participants.

**Summary Notes:** The Board will take summary notes of discussions and these will be posted to our website ([www.sahtulanduseplan.org](http://www.sahtulanduseplan.org)) following the workshop.

**Next Steps:** Dates and locations for the second and third workshop will be confirmed with participants at the end of the first workshop. Any additional information needed for participation in later workshops will be sent to registered participants and posted on our website for general distribution.

We look forward to your participation in these technical workshops. If you have any questions, please contact me at [heidi.wiebe@shaw.ca](mailto:heidi.wiebe@shaw.ca) or (403) 984-3916.

Respectfully,

*Heidi Wiebe, Plan Development Lead*
