Re: Comments of SLUP Proposed Amendment

Tulita Land and Financial Corporation is submitting comments to the Sahtu Land Use Planning Board on the Proposed Amendment.

On June 16, 2016 in a Community Meeting it was clear Community members did Not want changes made.

We Tulita Land Corporation are very concerned about the Watersheds, Calving Grounds for the Caribou, Wildlife.

We are not in Favour of the Amendment that we want the area outside of the Park to stay as Protected Conservation Zone.

Sincerely,

Clarence Campbell
President
